Mentor-Mentee Committee & Counselling Cell

Annual Report-2024-25

Through the Mentor Mentee Committee in the college, all the faculties of B.A., B.Com. B.Sc and B.B.A. (C. A.). All learners are mentored and guided as per planning of Teacher-Parent Committee throughout the year. The learners are allocated to the faculty members and profiles are collected initially. Then, mentors tried to understand the problems of them. Accordingly, faculty members guided learners and tried to make them more comfortable & tried to create suitable environment for teaching & learning in the campus. They also encouraged mentees to share issues and difficulties they faced and provided timely support and guidance to promote their learning. The mentors helped mentees to create an ABC ID. It was helpful for learners to maintain themselves and make them actively participate in curricular & co-curricular activities organized in the campus as well as outside of the campus.

The meetings of mentors and mentees were held twice in the semester and mentees were informed about the academic progress, strengths and weaknesses. The faculty members were also reaching at the mentee's home occasionally and trying to understand their problems. Their teaching-learning process became more comfort.
