State level “Workshop on Scope in Innovation and Entrepreneurship” Jointly Organized by Research Cell and Internal Quality Assurance Cell (IQAC) on 23rd March, 2021 at 11:00 AM

Aim of Webinar:

Entrepreneurship is the act of being an entrepreneur or “one who undertakes innovations, finance and business acumen in an effort to transform innovations into economic goods.” An individual may start a new organizations or may be part of revitalizing mature organizations in response to a perceived opportunity.

The students are oriented at realizing opportunities through opening a new business often as part of a venture creation program. Alternatively, they might be placed in existing firms. In either approach, they are pushed to promote innovation or introduce new products, services or markets. While doing either, considerable risk-taking occurs.

Innovation and entrepreneurship learning objectives divided in to the following areas:

- Value creation and creativity
- Process understanding
- Collaboration
- To apply and integrate academic disciplines
- Enterprising behavior

Therefore, acquisition of basic knowledge of Innovation and Entrepreneurship in our students, Entrepreneurship Development and Incubation Center Committee & Internal Quality Assurance Cell (IQAC) has jointly organized one day state level workshop on “**Scope in Innovation and Entrepreneurship**” on **23rd March 2021 at 11:00 am** on zoom platform and Youtube live streaming.
