Two Days National Level Conference on
"Interdisciplinary Approaches in Biochemical Sciences"
On 19th & 20th December, 2014
CONFERENCE REPORT

The Savitribai Phule Pune University (BCUD), Pune Sponsored Two Days National Level Conference on "Interdisciplinary Approaches in Biochemical Sciences" was held on 19th & 20th December, 2014 by Department of Chemistry & Life Sciences (Botany and Zoology) at Radhabai Kale Mahila Mahavidyalaya, Ahmednagar. The Combined effort of Principal, Organizing Committee and staff of the College has made the Conference a grand success. The Organizing Committee included Prin. Dr. B. K. Karale (Organizing Secretary), Dr. B.K. Auti (Convenor), Dr. Mrs. S. L. Pawar (Coordinator- Animal Science), Dr. Mrs S.A. Kulkarni (Coordinator-Plant Science), Dr. S.G. Jagadhani (Coordinator- Chemistry).

There were total 210 participants from all over India who had come for the conference including the 18 resource persons and faculty members. About 15 participants out of the total were outside Maharashtra from U.P., M.P. Karnataka and Andhra Pradesh. All the participants actively participated in the conference by presenting their research work in the form of oral presentations and poster presentations. There were expert lectures in the field of Biochemistry and Life Sciences. About 176 abstracts and 121 full length papers have been received for the Conference and publication of papers in Special Issue of International Journal "Flora & Fauna". A total of 10 Posters and 21 Oral presentations were done by Research Scholars.
