Webinar on Fundamental of Virus

Activity Report

In the view of COVID 19 pandemic, to increase the awareness about the virus a “*Webinar on Fundamental of Virus*” is organized on 7th of June, 2020 at 11:30 am for college students in which basics of virus, structure of virus, classification of virus, structure of corona virus, symptoms and prevention from corona and development of vaccine against virus are discussed. Mr.M.R.Khan Head, Department of Zoology interacts with students through Google meet platform. Finally feedback of the activity is taken and analyzed. The participants appreciate the event. The total beneficiaries present during the event are 17.

Mathematics

Webinar Report

The **State Level Webinar** on “**Introduction to MATLAB for Mathematics**” was held on **7th September, 2020** by the Department of Mathematics in association with Internal Quality Assurance Cell (IQAC) at Rayat Shikshan Sanstha's, Radhabai Kale Mahila Mahavidyalaya, Ahmednagar. The joint efforts of Principal, Organizing Committee and staff of the college has made the Webinar a grand success. The organizing committee included Prin. Dr. B. K. Karale (Chief Organizer), Mr. N. I. Sayyed (Organizing Secretary), Mr. M. R. Khan (IQAC Coordinator), Mr. J. R. Narawade (Coordinator), and all the science faculty.

Mr. N. I. Sayyed ,organizing secretary, Head Department of Mathematics, formally welcomed the worthy Hon. Prin. Dr. B. K. Karale, B.O.S. Chairman, Dr. S. B. Gaikwad, Resource Person Mrs. Dr. S. V. Ingale, Dr. M. B. Karande , Mr. M. R. Khan and all the participants.

The webinar started with Inaugural function by Hon. Prin. Dr. B. K. Karale and Dr. M. B. Karande. In Inaugural address by Dr. M. B. Karande, Vice Principal , he emphasized on the importance of MATLAB in development of new skills which enable participant to meet with global standard. He also introduced about Sanstha and College.

The Resource Person Mrs. Dr. S. V. Ingale, New Arts Commerce and Science College, Ahmednagar Maharashtra, gave a detailed presentation on MATLAB. She highlighted on the introduction, basics and characteristics of MATLAB. She also elaborated about the Calculations, variables, commands, operators and functions in MATLAB. According to her “Expressing mathematics with theoretical concept is not enough , we should able to express them into graphs”. Hence she also discussed on plotting of graphs using MATLAB. Lastly, in her session she briefly explains about Programming , Debugging with the help of examples and tools in MATLAB.

Later, she also responded to questions and doubt raised by the participants. This was followed by vote of thanks from Mr. M. R. Khan, IQAC Coordinator. He expressed special gratitude to the Mrs. Dr. S. V. Ingale, for their informative and useful presentations. He also expressed gratitude to Hon. Prin. Dr. B. K. Karale, B.O.S. Chairman Dr. S. B. Gaikwad, Dr. M. B. Karande. Mr. N. I. Sayyed, Mr. J. R. Narawade, College Development Committee and IQAC for their constant encouragement and support in conducting the webinar. He also thanks to all the faculty , office staff and the participants for their valuable time.

Total 601 participants all over India from Maharashtra, Tamil Nadu, Gujrat, Rajasthan, Jammu and Kashmir, Karnataka, Andhra Pradesh, Odisha, Puducherry, Telangana and one participant out of India from Ibri Al Dhahira- Oman attended the webinar.

All the participants actively participated in the Webinar by taking participation in discussion and asking the questions to Resource Person after delivering her lecture. The feedback forms were also collected from the participants.

What is MATLAB?

MATLAB which stands for Matrix Laboratories, is a state-of-the-art Mathematical software package, which is used extensively in both academic and industry.

Es numerical computation and visualization

The basic data element is a matrix.

The Beginning: When you start MATLAB, the command prompt `>>` appears.

You will see MATLAB what to do by typing commands at the prompt

The colon operator can also be used to pick out a certain row or column.

For example, the statement `A(m:n, k)` specifies rows m to n and column k to l .

```

>> A(2,:)
ans =
    4    5    6
  
```

or the row vector `A(m, k:l)`.

The colon operator can also be used to extract a submatrix from a matrix A .

```

>> B = A(2:3)
ans =
    2    3
    5    6
    8    9
  
```

$A(:, 2:3)$ is a submatrix with the last two columns of A .

A row or a column of a matrix can be deleted by setting it to a null matrix `[]`.

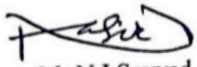

```

>> A(:, 2) = []
ans =
    1    0
    7    0
  
```

Two Days National Webinar on Drug Discovery and Development
DDD-2020
16th -17th October 2020

Report

Inaugural Function

Department of Chemistry has organized **Two Days National Webinar on Drug Discovery and Development - 2020 (DDD-2020)** on 16th and 17th October 2020 on zoom platform and You Tube streaming. The inaugurator and chief guest for this webinar was Prin. Dr. Vitthal Shivankar, Secretary of Rayat Shikshan Sanstha, Satara.

The webinar started with the inaugural function. Prin. Dr. Vitthal Shivankar has inspired all the speakers with his thought provoking words and set a platform for the resource person to deliver their talk. He has also focuses on the drug discovery and their development path along with potent drugs used now adays.

Session I

The first speaker for Day-1 on 16th October was Dr. Rohan Erande, Assistant Professor, IIT Jodhpur. The session starts with the introduction of speaker given by Ms. N. R. Darekar. He has given his talk on the Drug Discovery and Development. He has shared the information of drugs from ancient time as well as how the drug development takes place along with steps followed during drug development like extraction, isolation, characterization and activity of natural products.

Session II

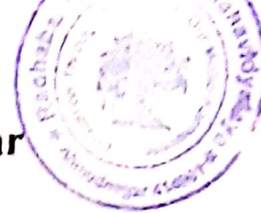

The second speaker for Day-1 was Dr. Bapurao Shingate, Associate professor, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. Dr. M. H. Shaikh gave the brief introduction of the speaker. Dr. Shingate delivered his talk on Triazole Scaffold in Drug Discovery. In his talk he explained tuberculosis, its effect and history of drugs. He also talked on click reactions and their applications as well as synthesis of substituted triazoles and their biological activities.

Session III

The third speaker for Day-1 was Dr. Sangeeta Jagtap, Associate professor, B. G. College, Sangavi, Pune. The session starts with the introduction of speaker given by Ms. N. R. Darekar. She delivered her talk on synthesis and biological activities of Benzimidazole-Pyrrole derivatives. She explained basic things related to drug discovery like drug properties, origin and need of drug discovery, drug discovery process, SAR study etc.

The information shared by all the speakers is inspiring for all the participants for their research. The vote of thanks for day one is given by Dr. R. S. Endait.

**Report of two days national level webinar on
"Drug Discovery and Development (DDD-2020)"**

Day-2, Saturday, 17th October 2020

Session -I:

First session of second day started with the welcoming of all delegates and participants. Dr. Hemant Akolkar gave the introduction of resource person Dr. Vishnu Halnor, Managing Director, Vishwa Pharma Ltd., Pune. Dr. Vishnu Halnor gave the overview on the drug discovery and different phases of drug discovery and development.

Session-II:

Dr. Mubarak Shaikh gave the introduction of Dr. Mohammad Shaikh, Group Leader, NDD Division, Wockhardt Ltd, Aurangabad. Dr. Mohammad Shaikh explained the difference between branded drugs and generic drug and stages of new drug synthesis. Also he focused on drug discovery research set ups and business modes in India.

Session -III:

Dr. Rupali Endait gave the introduction of Dr. Narendra Joshi, Chief scientific officer, Supriya Life Sciences, Mumbai. Dr. Narendra Joshi gave the detailed information about drug discovery and development such as NCE, SAR, targets, screening, designing, lead optimization, in vivo, in vitro pre-clinical drug testing etc.

Valedictory Function:

Ms. Nirmala Darekar welcomed the delegates for the valedictory session. Dr. Hemant Akolkar presented the conference report and also gave the introduction of guest speaker Dr. Shankar R. Thopate, Principal, S. S. G. M. College, Kopargaon. Dr. Shankar R. Thopate delivered the valedictory address. At last Dr. Mubarak Shaikh proposed vote of thanks.

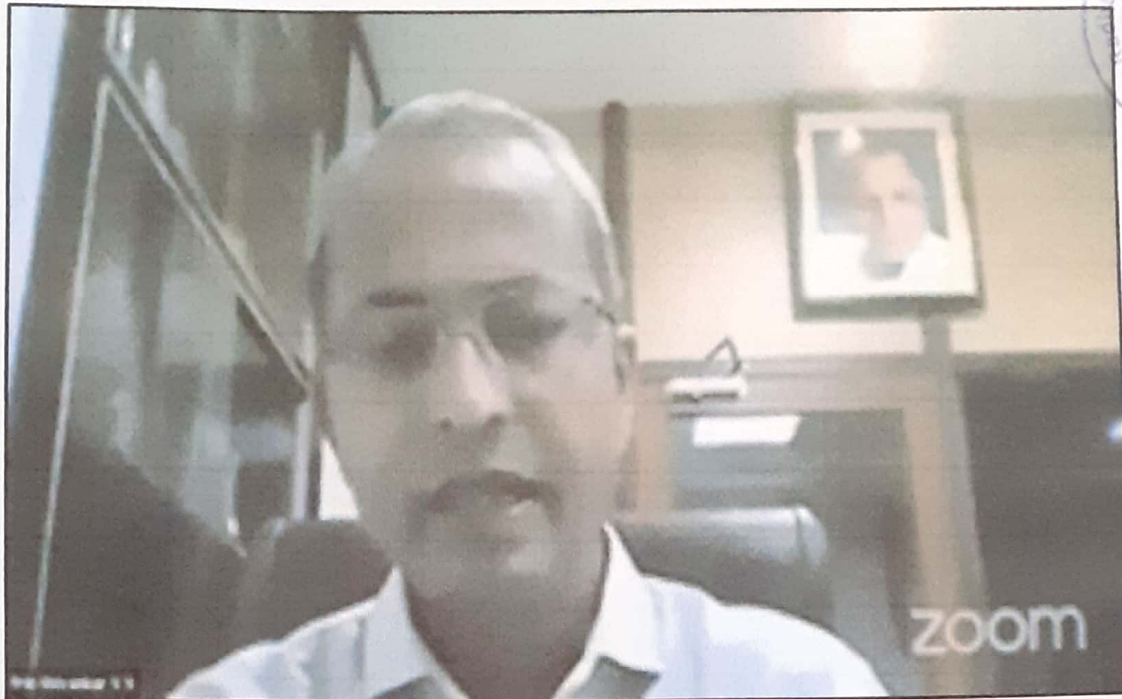

The feedbacks received from the participants majorly highlighted the fruitful scientific discussions with researchers from diverse background. Total 657 participants were registered to the conference from all over the India.

DDD-2020 provided a platform for constructive ideas on recent trends and innovative approaches in drug discovery and development. The national webinar was successful due to the guidance and support of Hon. Prin. Dr. Bhausahab K. Karale, Principal, Radhabai Kale Mahila Mahavidyalaya, Ahmednagar. All the members of organizing committee have taken sincere efforts for the success of webinar DDD-2020.

Introduction

- In today's scenario, the term "Drug Discovery" has become very conventional. As per my opinion if we call it "Drug Invention", that will be more appropriate.
- Until a few decades ago, drugs were discovered as natural products and used as such for treating diseases.
- Today, even though scientists draw inspiration from nature, most of the drugs introduced in the market are modified and derivatized to enhance the activity of the drug molecule as compared to their natural counterparts.
- Due to this, the terminology, "Drug Invention" can be justified as new molecules are invented by scientists in the laboratories.

DEPARTMENT OF Botany & Zoology
National Webinar on **“Bio-diversity and its Conservation”**
Year 2020-21

REPORT

An Online National Webinar on **“Bio-diversity and its Conservation”** was organized by the Department of Botany & Zoology on **23rd October 2020** at **11.00 am**. The program was inaugurated by the Vice principal of the College- **Dr. M.B. Karande**. He formally inaugurated the webinar and welcome of the guests. He gave an overview of the Rayat Shikshan Sanstha and College progress in last 31 years. The guest speakers were **Dr. Vipul Somani**, Veer Narmad South Gujarat University, Surat (Gujarat) and **Dr. Rupeesh Yadav**. TC Arts, Science & Commerce College, Baramati.

The introduction of the first speaker was done by Dr. Ms. M.B. Bhagwat. Dr. Somani gave his talk on the **Topic- Crop Diversity-** threats to the traditional crop varieties. He elaborated the result of biodiversity loss as human greed- The scenario of crop diversity especially rice varieties and also the fruit varieties in India presently. The new varieties are found to be more popular than the traditional varieties and therefore the 95% population relies on only 30 species of plants to provide nutrition. He included the role of sustainable development goals (SDG) to be achieved till 2030.

The introduction of the Second speaker was done by Mr. M.R. Khan. Dr. Yadav gave a talk on **Topic- Biodiversity & Conservation of Wildlife**. He included the Role of National and International bodies in wildlife conservation, present status of wildlife conservation, hotspots of the world and India, Census of wildlife according to ICUN and concept of Frozen Zoo. He also presented his research work on fish biodiversity. Both these lectures were

beneficial to the participants and will help to increase the domain of their knowledge in Life Science.

The participants were also present for the interactive session after the webinar. Questions regarding the awareness of biodiversity conservation, field trip organization, remedies to conserve etc. were answered by the resource persons. The vote of thanks was proposed by Dr. G.A. Raut and the anchoring was done by Dr. Mrs. S.A. Kulkarni. The technical support was provided by Mr. V.U. Elke.

There was overwhelming response of participants from all over India. A total of **440 registrations** and 306 feedback forms were submitted by the participants. The Certificates were generated for those who filled up the feedback forms. The online lectures of the webinar were arranged on zoom platform

<https://us02web.zoom.us/j/89119678727?pwd=UCsyVkRkeERsbm0rakZjc292c1lUUT09> and also on You tube live streaming channel <https://forms.gle/jk6YZxWMqW4HZbqF7>. The participants included the Scientists, faculty, research scholars (India & abroad) and students of Science from all over the country.

The motivation for conducting this webinar as a departmental activity was due to the able guidance of our Principal Hon. Dr. B.K. Karale. The organizing team included Mr. M.R. Khan (Co-Ordinator), Dr. Mrs S.A. Kulkarni (Convenor), Dr. Ms. M.G. Bhagwat (member) , Dr. G. A. Raut (Member) and Mr. V.U. Elke (member).

Report of one day webinar on "Overcoming an Energy Crisis "
Monday, 26th October 2020

1] Inauguration:

The program started on 11.00 am with the welcome address of all the delegates and participant by the Mr. A. K. Kapare, Head, Department of Physics. Dr. M. B. Karande, Vice Principal, inaugurated the webinar by the inaugural speech.

2] Session I:

Dr. Shankar Kekade gave the introduction of resource person Prof. Sandesh Jadkar, Director, School of Energy Studies, SPPU, Pune. In his keynote speech, Prof. Jadkar explained changes in the electricity from 1700 to 2020. He gave an overview on the Bloom energy, working principle of bloom energy and in the present situation the importance of the Bloom energy.

3] Session II:

The introduction of our second resource person, Dr. Adinath Funde, School of Energy Studies, SPPU, Pune is done by Dr. Shankar. Dr. Adinath Funde gave informative lecture on electric vehicles. Considering the energy crisis, there is need of such electric vehicle as well as bloom energy. Along with the basic informative lecture, he also explained the career opportunity to our students in electric vehicles.

4] Vote of Thanks:

The vote of thanks presented by Ms. Anuja Abdule.

5] Concluding Remark:

A Total 225 students participated in the webinar from all over the India. The participants send the feedbacks which highlighted the fruitful scientific discussion of the resource person with our participants. This webinar gave the scientific ideas on the renewable energy sources which is the basic need on world. Because of the guidance and support of our Hon. Prin. Dr. Bhausahab K. Karale, Principal, Radhabai Kale Mahila Mahavidyalaya, Ahmednagar, the webinar was successfully completed. All the members of organizing committee have taken sincere efforts for the success of webinar.

महाराष्ट्रातील अब्राहमणेत्र चळवळ - अहवाल

क्रांतिसूर्य महात्मा जोतिबा फुले यांच्या १३१ व्या पुण्यतिथीनिमित्त इतिहास विभागातर्फे दि. २८ नोव्हेंबर २०२० रोजी 'महाराष्ट्रातील अब्राहमणेत्र चळवळ' या विषयावर एक दिवसीय राज्यस्तरीय ऑनलाईन वेबिनारचे आयोजन करण्यात आले. या कार्यक्रमाचे प्रमुख पाहुणे म्हणून प्राचार्य डॉ. विजयराव नलावडे व प्रा. डॉ. जगदिश सोनवणे उपस्थित होते. आपल्या व्याख्यानामध्ये प्राचार्य डॉ. विजयराव नलावडे यांनी महाराष्ट्रातील पुरोगामी चळवळीच्या वाटचालीत महात्मा फुले यांच्या सत्यशोधक चळवळीच्या कार्याचा आढावा घेऊन सत्यशोधक चळवळीमुळे बहुजनांचे विविध प्रश्न ऐरणीवर आले. ब्राह्मणेत्र चळवळीमुळे पुढे भारतीय चातुर्वर्ण्य आणि वतन परंपरेतून निर्माण झालेली विषमता राजकीय, सामाजिक आणि आर्थिक अशा सर्व स्तरावरून नष्ट करून समताप्रधान, सर्वांना समानसंधी समाजाच्या सकारात्मक रचनेचे कार्य बहुजनांच्या सक्रियतेने साधणारी चळवळ होती हे स्पष्ट केले. प्रा. डॉ. जगदिश सोनवणे यांनी पाश्चात्य उदारमतवादी विचारांच्या शिक्षणामुळे नवी दृष्टी प्राप्त झालेले महात्मा ज्योतिबा फुले ज्यांना ग्रामची सेंद्रिय बुद्धिमंत असे संबोधून त्यांचा रास्त गौरव करतो ते क्रांतिसूर्य फुले हे या चळवळीचे प्रणेते व ब्राह्मणीवर्चस्वाच्या विरोधी बंड करणारे पहिले नेते होते. ब्राह्मण-ब्राह्मणेत्र वादातून सुरू झालेली सामाजिक चळवळ ही बौद्धिक व वैचारिक विचारांचे मंथन होती. त्यातून विविध समाजातील व जातिवर्गातील नेतृत्व तयार होत गेले. त्यातून एक बौद्धिक बैठक अस्तित्वात आली असे महात्मा फुलेंच्या चळवळीसंबंधी त्यांनी विवेचन केले. आपल्या अध्यक्षीय भाषणामध्ये महाविद्यालयाचे उपप्राचार्य डॉ. मनोहर कारंडे यांनी वेदकालापासून आजपर्यंतच्या समाजजीवनाची रहस्ये उलगडण्याचा, त्यातील विकृतींचा व अपप्रवृत्तींचा शोध घेण्याचा प्रयत्न महाराष्ट्रातील

अब्राहमणेत्तर चळवळीने केला. भाषा, संस्कृती, कला, साहित्य, संगीत या सर्व परंपरांची नवी मांडणी होत गेली. एका अर्थाने ही चळवळ सामाजिक व सांस्कृतिक आरोग्यासाठी पोषक ठरली. म. फुले, राजर्षी छ. शाहू व भारतरत्न डॉ. बाबासाहेब आंबेडकर यांच्या वैचारिक कृतीने ब्राह्मणेत्तर चळवळीला नवा आशय व आयाम देण्याचा प्रयत्न केला. व या मंथनातून आजच्या महाराष्ट्राची वैचारिक घुसळण व राजकीय, सामाजिक जडणघडण झालेली दिसून येते हे स्पष्ट केले. कार्यक्रमाचे प्रास्ताविक व स्वागत इतिहास विभाग प्रमुख प्रा. डॉ. गणेश विधाटे यांनी केले. पाहुण्यांचा परिचय प्रा. डॉ. एजाज शेख यांनी केला. आभार प्रा. अमोल बुचुडे यांनी मानले. तर कार्यक्रमाचे सूत्रसंचालन प्रा. डॉ. रविप्रकाश ठोंबरे यांनी केले. या कार्यक्रमाप्रसंगी विविध महाविद्यालयाचे प्राध्यापक, विद्यार्थी व विद्यार्थिनी मोठ्या संख्येने उपस्थित होत्या.
